

# KOSI *Forest* LODGE

## Health + Safety

We look forward to welcoming you to Kosi Forest Lodge. Your comfort and safety are our priority and we have made every effort to ensure a safe and enjoyable stay with us. Please pay special attention to our guidelines below:

### International Travellers

#### PASSPORT AND VISA REQUIREMENTS

To enter South Africa, all foreign nationals need a passport valid for at least 30 days after the intended date of departure. Ensure that your passport has at least two blank visa pages for entry stamps. Check your country's visa requirements with the South African embassy.

#### ELECTRONIC EQUIPMENT

- Travellers arriving in South Africa are advised to declare their electronic equipment, including cameras and laptops, even if they intend to take these items with them upon their departure from South Africa.
- Please visit the online Traveller Declaration System: <https://www.sars.gov.za/travellerdeclaration/>  
For further information you can access the SARS Traveller Leaflet [here](#)

### General

#### MALARIA

- Kosi Forest Lodge is situated in a region where Malaria is considered to be endemic.
- Insect repellent is provided in all rooms.
- Mosquito nets are provided in all rooms.

#### MEDICATION

- Please seek advice from your medical practitioner for anti-malaria medication before you travel. Remember, some medications require you to start taking the medication before arrival.
- Please remember to bring enough of your own personal medication, including anything necessary for allergies or other chronic conditions you may have. The lodge is remotely situated, and the nearest pharmacy is a long drive away.
